Global Transfer Pricing Policy - Fictional Demo

Enterprise OTP Platform v0.1.0 - fictional demonstration document

Group: OTP Demo Holdings

Effective date: 1 January 2026

Policy objective: apply consistent arm's-length pricing across controlled transactions.

Distribution: limited-risk distributors target 4.0% ROS, approved range 3.0%-5.0%.

Contract manufacturing: target 7.0% ROS, approved range 5.0%-9.0%.

Shared services: eligible cost base plus 5.0% markup.

All adjustments require documented calculation, approval, journal and reconciliation.

Fictional data only. Not tax or legal advice.
